

Connecting to Mobile Banking Through a Smart Phone

Below is a guide to assist you in setting up your smart phone in online banking and accessing online banking through your smart phone.

Smart Phone Set Up in Online Banking

Begin by logging in to Online Banking from our web site at <https://www.myfirstccu.org/>. Once logged in, click on “user options” then “mobile settings”. Here you will:

- check to enable web access for your mobile phone
- select if you wish to receive text alerts
- enter your mobile phone number (only applicable if you wish to receive text alerts)
- select your wireless provider
- select accounts you want to access from your mobile device

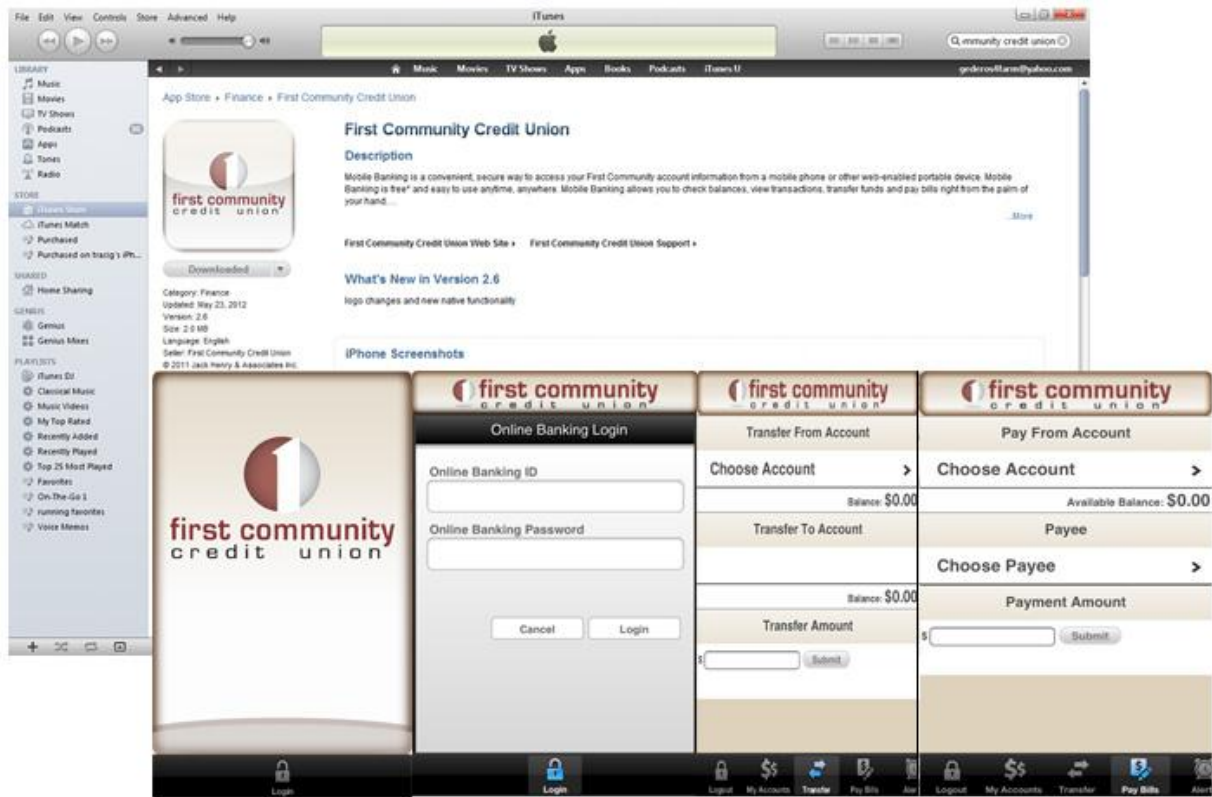

The screenshot shows the First Community Credit Union website interface. At the top is the logo with a red circle containing a white '1' and the text 'first community credit union'. Below the logo is a navigation bar with icons and labels: 'Main Menu' (house icon), 'iPay Bill Pay' (dollar sign and bill icon), 'User Options' (gear icon), and a lightbulb icon. Below this is a secondary navigation bar with links: 'Personal', 'Account Names', 'Display', 'Alerts', and 'Mobile Settings' (which is highlighted with a mouse cursor). Under 'Mobile Settings' is a sub-link 'Web Mobile Settings'. The main content area is titled 'Mobile Web Settings' and contains the following options:

- ☒ **Enable web access for your mobile device**
- Receive Text Message Alerts**: A dropdown menu set to 'Yes' with a red note: '** Standard wireless carrier charges apply **'
- Mobile Phone Number**: Three input fields containing '000', '000', and '000'
- Select your wireless provider**: A dropdown menu set to 'US Cellular'
- A red note: 'NOTE: if you are a Cingular user that merged into AT&T, please select Cingular as your carrier.'
- Select the accounts you want to access from your mobile device**: A row of checkboxes for 'SAVINGS', 'CHECKING', 'MONEY MARKET', 'SECOND SAVINGS', and 'HELOC', all of which are checked.

Downloading Custom App on Your Smart Phone

To download the mobile banking app for First Community Credit Union you will need access to the Internet. You will also need an active iTunes account to download the free mobile banking app. If you do not have an iTunes account, you can register for a free account at <http://www.apple.com/itunes/>.

From your computer, launch iTunes then click on “Apps” from the menu on the left inside iTunes. From your smartphone launch the “app store” icon. In the search box, type in “First Community Credit Union”. Download the custom app for First Community Credit Union’s mobile banking as shown here. Once the mobile banking app appears on your mobile phone, tap to login to Online Banking.

The above screen shots are of the mobile banking login screen, account transfer and bill payment.
